Make: Maritime 233 Defiant

Length: 23' 3"

Motor: Suzuki DF200APX5

Power: 200 HP

Hours: 22

Description:

The Defiant 233 with its deeper more aggressive hull design was designed with offshore capabilities in mind. The 233 remains on plane as slow as 10mph whilst still capable of speeds in excess of 45mph.

Deck space on the 23 is amazing, allowing you to easily walk around with plenty of room for coolers and accessories, and the large step down area adds additional storage, the use of a porta potti or a quick change of clothes.

This 233 Defiant, although a used boat is essentially brand new with only 22 hours on the Suzuki Fly-By-Wire 200hp engine. The engine is under warranty until April 2027. The boat has everything you need to enjoy a day on the water, inshore or offshore. Boat is equipped with a T-Top, Stainless-steel railings throughout the boat, GPS, Fish Finder, Radar, and VHF radio. The Pearl Gray hull is beautiful and gives the boat a unique appearance.
